

Memorandum of Understanding

Whereas, Committee of 2017 BCI and 14th Asia-Pacific Bonsai & Suiseki Convention and Exhibition and African Bonsai association have agreed to enter into a collaborative agreement for the development of international Bonsai Culture through the signing of the Memorandum of Understanding(MOU) as below on 05th Nov. 2016.

Both Committee of 2017 BCI and 14th Asia-Pacific Bonsai & Suiseki Convention and Exhibition and African Bonsai Association agree as below:

1. To the development and expansion of Bonsai culture through cooperative exhibition channels
2. To share information and intellectual interchange on the current trends in the Bonsai technique and import/export.
3. To support for mutual visiting of their members to both side to attend National Exhibition.
4. To negotiate and sign new agreements concerning any issues not prescribed within scope of the current MOU.

The effective date of this MOU is the date of the signature last affixed to this page and will come into official force when the executing parties have signed and exchanged 2 copies of the MOU.
